Hi Davis,

I am in our Seattle office all day, so please send me an email or call whenever you get the PDI data and would like to meet. Then I can walk over in a few minutes.

Thanks

Davis,

We are finalizing preparation of the Draft PDI Evaluation Report for delivery to EPA on June 17, 2019.

As with submission of the Footprint Report, we plan to upload the report to EPA's Sharepoint site including main report text, tables, figures and appendices.

Some large files (e.g., data) will be provided on a thumb drive or DVD, which we plan to hand-deliver to EPA on Monday. Please advise on the appropriate person to contact on Monday for delivery of the thumb drive/DVD and number of copies.

Thank you,
